

## Specifications

**Part Numbers:** USX

**Species:** Birds, deer, rats, skunks, raccoons, weasels, ferrets, opossums, dogs, cats

**Listings:** Supply power source is UL and CE listed

**EPA EST:** 075130-OR-001

**Voltage:** 110V, 220V, 240V

**Sound Pressure:** 95–102 dB per speaker

**Frequency:** 15-25KHz

**Cord Length:** 5 ft. (110V); 6 ft. (220V/240V)

**Coverage Area:** Up to 3,600 sq. ft.

**Control Unit Dimensions:** 9"x9"x5"

**Speaker Dimensions:** 4"x4"x6"

**Weight:** 10 lbs.

# Ultrason X

The Ultrason X is a powerful, ultrasonic animal-repellent system designed to keep larger areas free from nuisance animals like birds, deer, rats, skunks, raccoons, and more. Featuring advanced ultrasonic sound technology, the USX repels pests without harming them, making it an eco-friendly and humane solution for indoor and outdoor environments. It is highly effective for areas up to 3,600 square feet and offers flexible control options, ensuring optimal performance in any environment.

## Key Features & Benefits

- **Large Coverage Area:** Protects spaces up to 3,600 square feet, ideal for commercial, agricultural, and residential settings.
- **Ultrasonic Repellent Technology:** Humanely repels pests such as deer, rats, skunks, raccoons, weasels, and more without harm.
- **Powerful Output:** Produces sound levels of 95–102 dB per speaker at frequencies of 15-25KHz to drive pests away.
- **Durable Construction:** Robust ABS housing offers durability and weather resistance for outdoor use.
- **Flexible Power Options:** Compatible with 110V, 220V,

and 240V power sources, offering versatility.

- **Customizable Settings:** Features on/off volume control and options for Day, Night, 24-hour, or random operation modes for targeted use.
- **Complete Installation Kit:** Includes control unit, power adapter, four external speakers with 100 ft of cable each, and a mounting bracket.

## Applications

- Farms and Agricultural Settings
- Large Residential and Commercial Properties
- Campuses and Warehouses
- Industrial Facilities
- Parking Structures
- Open Outdoor Spaces

## Package Includes

- Control Unit
- Power adapter
- Mounting bracket
- Four external speakers with 100' of cable each
